22-23 學年成績表安排(通告編號 054/2022-2023)

敬啟者：為讓家長了解學生的學習進度，校方於每單元完成後均會派發成績表，本學年第一期成績表將於 11 月 2 日發出。鑑於原有成績表設計已沿用多年，校方已重新設計成績表，由本學年第一期成績表開始，將以新版設計印製。

新版設計成績表的改動內容包括：加入更多學生資訊、部份項目的中英對照內容、整合操行評分等。全學年的成績表期數維持不變，全年共六期。

Dear Parents/Guardians,

To help parents understand students' learning progress, the school distributes an academic report card at the end of each module. Report cards of the first module will be distributed on 2nd November. The school has redesigned the report card layout this year in replacement of the original layout, which had been used for the past years. Starting from module 1 this year, report cards will be printed in a new layout.

Changes to the report card layout are as follows: additional student information is included, certain items are printed in both Chinese and English, the grading for conduct is integrated. The number of modules for the school year remains unchanged, with 6 modules in total per year.
