

Saviour Lutheran School

Politeness campaign (Circular No. E007/2023-24)

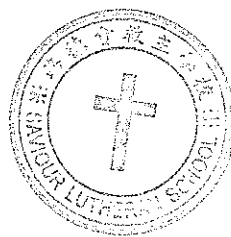

Dear Parents/Guardians,

Our school will organise a politeness campaign from 5th to 8th September. It is hoped that through this campaign, students can enhance their awareness of being polite. In addition, the "Star of Courtesy" training programme will be held this school year. The programme will be conducted from October to May. The class teacher will nominate one "Star of Courtesy" and one "Improvement Star of Courtesy" in each term.

In order to enhance the effectiveness of this programme, we would like to invite you to supervise your children to treat others with courtesy. During the programme, the best performing student in each class will be selected and awarded with a certificate and a gift as a reward.

The programme aims to encourage students to participate in with a positive attitude and to develop better behaviour. The effectiveness of the programme depends on the support and cooperation of the parents and students to make the whole programme a success.

Yours faithfully,

Rev. Yeong Ling Wui

Principal
