## Measures to be taken by Schools for Persons with Red Code/Amber Code

(Circular No.: E008/2022-2023)

Dear Parents/Guardians,

The Government announced on 8<sup>th</sup> August 2022 that the “Vaccine Pass” function would be strengthened and the quarantine arrangements for those persons arriving in Hong Kong would be adjusted. **Starting from 9 August 2022, cases confirmed with COVID-19 have been categorized as persons with a “Red Code”, and inbound persons from overseas places or Taiwan have been categorized as persons with an “Amber Code”.** Their “Vaccine Pass” QR codes are displayed in red or amber accordingly. **Details of the arrangement are as follows:**

<b>Persons with a “Red Code”</b> (COVID-19 cases)	➤ <b>are not allowed to enter the school premises/buffer zones</b> (The school has the right to deny entry of violators to the school premises and take legal actions)
<b>Persons with a “Yellow Code”</b> (Inbound persons from overseas places of Taiwan without COVID-19)	➤ <b>are not allowed to enter the school premises/buffer zones as a visitor</b> (such as partaking in the school anniversary celebration as a general public person). ➤ <b>Individual students</b> are required to undergo quarantine in the “3+4” mode, even if they have received two doses of COVID-19 vaccine for more than 14 days, they must obtain at least the “Amber Code” before returning to school to study during the <b>4 days</b> of medical surveillance. ➤ In order to allow students with “Amber Code” to have equal learning opportunities, students will be allowed to return to school for class if they obtain a negative rapid antigen test (RAT) result before returning to school every day. ➤ Students are not allowed to participate in any mask-off activities at school (such as woodwind instruments, “contact” sports such as football or basketball). ➤ If a person with “Amber Code” studying at school needs to have lunch at school, the school will arrange for appropriate dining areas that meet the EDB’s guidelines, and will thoroughly clean and sanitize the dining areas after meals.
<b>Persons with a “Blue Code”</b> (Persons who meet the requirements of the “Vaccine Pass” under EDB’s guidelines)	➤ Are allowed to enter the school premises

Remarks:

- ✧ All teaching and non-teaching staff, persons providing on-campus services and visitors are required to use “LeaveHomeSafe” (except for exempted persons) to enter the school premises. Students entering the school premises are exempted from the arrangement.
- ✧ The school will abide by EDB’s guidelines under the instability of the pandemic situation. In case of any change in school arrangements, the school will notify parents via the school website and WhatsApp as soon as possible. For any enquiries, please contact 27293929 during school hours.

Thank you for your attention and we wish you good health.

Yours faithfully,

Rev. Yeong Ling Wui  
Principal
