

Saviour Lutheran School
2023-2024 Seasonal Influenza Vaccination Scheme

(Circular No.: E008/2023-2024)

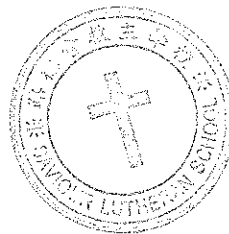

Dear Parents/Guardians,

In correspondence with the Seasonal Influenza Vaccination School Outreach (Free of Charge) Programme coordinated by the Department of Health, the school has delegated the United Christian Nethersole Community Health Service (UCNCHS) to conduct on-site vaccination of Quadrivalent Inactivated Influenza Vaccine (IIV) for students. The UCNCHS will conduct first dose and second dose vaccinations (applicable to students below 9 years old who have never received influenza vaccination before) on **25/10/2023 (Wed)** and **27/11/2023 (Mon)**. Influenza vaccination is voluntary. For details, please refer to the appendix on the "2023/24 Seasonal Influenza Vaccination School Outreach (Free of Charge) Programme" application form.

Kindly return the completed consent or non-consent form (please do not cut out the form) to class teachers **on or before 11th September**. If you are applying for vaccination, kindly staple your existing influenza vaccination card (Seasonal Influenza Vaccination Card) to the consent form and return it together with the consent form. If you do not return this card, a new vaccination card will be used for the vaccination and can be kept for the next time.

In addition, the Department of Health invites all students to participate in the eHealth Registration Program. Parents may complete the eHealth Registration Consent Form and return it to school.

For any enquiries, please contact school nurses Ms. Kung (primary section) and Ms. Ching(secondary section) at 27293929.

Yours faithfully,

Rev. Yeong Ling Wui
Principal

1st September, 2023
