

Saviour Lutheran School

Good Student Award Scheme and Politeness Campaign

(Circular No. E015/ 2022-23)

Dear Parents/Guardians,

In order to develop positive values and polite attitudes among students, the school is carrying out the following campaigns:

1. Politeness campaign aims at strengthening students' awareness of having polite manners, from 6th to 11th September, the school kindly asks parents to record students' polite behaviour with a "✓" on the record sheet (please see attached) and sign the sheet. Please return the record sheet to class teachers and finish the online survey via the QR code (please see attached) before 14th September.

2. Good Student Award Scheme

The award scheme aims to raise students' confidence and self-assurance, and to allow class teachers to have a better understanding of each students' strengths and weaknesses. Class teachers will set an individualized goal for the first school term, and will help students achieve their goals as much as possible. Students with good performance will be rewarded with gifts or vouchers, to encourage students to partake the scheme with a proactive attitude, and to help them develop good habits.

We sincerely ask for you and your child's active support and participation in the following schemes. You are welcome to contact class teachers for any enquiries and suggestions. Thank you for your attention.

Yours faithfully,

Rev. Yeong Ling Wui
Principal
