

Saviour Lutheran School

COVID-19 Compulsory Testing Notice (Circular No.: E033/2022-2023)

Dear Parents/Guardians,

Please be reminded to check the government website for “Lists of Specified Premises of Compulsory Testing Notices” every day before going to school. The QR code for the website is attached on page 7 of the pink student handbook. Kindly take note of the publishing date, compulsory testing date, and premises that require compulsory testing.

According to the Prevention and Control of Disease (Compulsory Testing for Certain Persons) Regulation (Cap. 599J), any person who had been present at the specified places during the specified period (persons subject to compulsory testing) listed in the Compulsory Testing Notice must undergo a COVID-19 nucleic acid test. If students are subject to compulsory testing, please note the following:

1. If parents are informed of students’ need for compulsory testing, please notify the school as soon as possible and make arrangement for students’ testing.
2. After compulsory testing and before receiving negative test result, students should not return to school. Kindly submit the negative test result to school before returning to school. (Parents may submit it in person to the school nurse at school/submit via online Google Form) The Google Form QR code is attached on page 7 of the pink student handbook.

Wishing peace and health to students, family members, and teaching staff.
For any enquiries, please contact the school nurse at 2729 3929.

Yours faithfully,

Rev. Yeong Ling Wui
Principal
