

Saviour Lutheran School

Launch of the New Teaching and Learning Complex

(Circular No. E047/ 2021-2022)

Dear Parents/Guardians,

It is with great pleasure that we announce the completed construction of the school's new teaching and learning complex, which is located on the 3rd floor of the campus' new wing. All newly constructed classrooms and special rooms have received the certificate of registration. The new teaching and learning complex consist of the Social Worker Room (311), the Technology Education Room (312), the Meeting Room (313), and S.6 Classroom (314). Upon formal application to the EDB, the previous Social Worker Room (109) will be converted to the Occupational Therapy Room, Technology Education Room (201B) to the Remedial Room, and S.6 Classroom (301) to the Music Room. The abovementioned rooms at the new teaching and learning complex will be in use by early November. Thank you for your attention.

Yours faithfully,

Rev. Yeong Ling Wui
Principal
