Dear Parents/Guardians,

Our school has subscribed to the Hong Kong Education City (HKEdCity) eBook service to allow students to read with ease at home and at school. The school encourages students' lifelong learning through developing a good reading habit.

We have consulted parents on the interest in joining a talk on learning to use the eBook platform. We received positive feedback and decided to hold the talk during December. We ask for your active participation in learning together for the benefit of our children. Kindly state your preference and return the reply slip to class teachers before 8/12 (Wednesday).
