Dear Parents/Guardians,

To promote national education and help students develop a sense of belonging to the country, starting from 1st January, 2022, the school will be conducting a national flag raising ceremony every week. The national anthem will be played and sung during the ceremony. To show respect and observe relevant etiquette, the school gate will be closed during the ceremony. A notice will be posted at the gate to notify latecomers or visitors to wait outside patiently. The gate will reopen after the ceremony.

You are welcome to encourage students to learn more about the national flag, national emblem, national anthem and regional flag by browsing the Protocol Division Government Secretariat website or the EDB website.

Yours faithfully,
