### Project Learning Week (Circular No: E077/2021-2022)

Dear Parents / Guardians,

The Project Learning Week in this academic year (2021-2022) will be held from Monday, 14<sup>th</sup> February to Friday, 18<sup>th</sup> February, 2022.

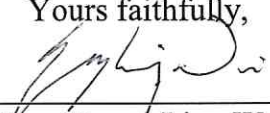

For this year's theme 'Hong Kong, Our China', students will complete the project learning study in the lessons. There will be no homework during this week.

During the Project Learning Week, we will design a variety of learning experiences through thematic learning, including interdisciplinary learning, experiential learning, outing activities, oral presentations, etc. This will allow students to learn to collaborate, communicate and develop skills in research and speaking.

Due to the ongoing changes in the pandemic, Project Learning Week arrangement will be based on EDB's latest instructions.

Yours faithfully,

  
Rev. Yeong Ling Wui  
Principal
