## Sinovac/BioNTech Vaccination and Vaccine Pass Arrangements

(Circular No. E078/2021-2022)

Dear Parents/Guardians,

To help students return to normal school life as soon as possible, the government provides Sinovac and BioNTech vaccination for students aged 5 or above, to prevent diseases caused by the SARS-CoV-2 virus. Tentatively, the school will arrange Sinovac/BioNTech vaccination for students between late February and early March. The school would like to gather parent preferences and organize outreach service or group reservation for student vaccination. **Please accompany your child to the vaccination appointment to attend to any discomfort after vaccination.**

Besides, the government announced the expansion for implementing the “vaccine pass” arrangement to more venues from 24<sup>th</sup> February, 2022 onwards, including schools. Except for those exempted (including (a) those who possess medical certificates certifying that their health conditions are unfit for vaccination, and (b) pregnant staff who have received exemption from the school on an individual basis), **all visitors of the school must show vaccination records of at least one dose of COVID-19 vaccine to enter the school premises.** The above “vaccine pass” arrangement is not applicable to students.

The school intends to collect parents’ information on COVID-19 vaccination status. Kindly return the reply slip below before 11<sup>th</sup> February. Thank you for your attention.

Yours faithfully,

Rev. Yeong Ling Wui  
Principal  
10<sup>th</sup> February, 2022
