2022-2023 Textbook and Travel Subsidies Application

(Circular No.: E111/2021-2022)

Dear Parents/Guardians,

The application period for textbook and travel subsidies (2022-2023) has already started. The Student Finance Office (SFO) has distributed a family-based application form, known as the “Household Application Form for Student Financial Assistance Schemes,” to students who have received textbook and travel subsidies in year 2021/22. Please note that students do not need to return the application forms to school.

For parents who have not received or applied for any subsidies in year (2021/2022) and would like to apply for student subsidy in year (2022/2023), kindly fill out the “Electronic Household Application Form for Student Financial Assistance Schemes” and upload a complete set of documents of proof together with the form for submission. The E-form and document list are available at the following weblink: SFO E-link – My Applications – Pre-primary, Primary and Secondary Levels (<https://ess.wfsfaa.gov.hk/espps>). Please note that applicants do not need to return the application forms to school. Please read the application guidelines carefully before fill in the application form.

Yours faithfully,

Rev. Yeong Ling Wui
