

## Saviour Lutheran School

### Project Learning Week (Circular No: E111/2022-2023)

Dear Parents / Guardians,

The Project Learning Week in this academic year (2022-2023) will be held from Monday, 13<sup>th</sup> February to Friday, 17<sup>th</sup> February, 2023. For this year's theme 'Wonderful Creation', students will complete the project learning study in the lessons. There will be no homework during this week.

During the Project Learning Week, we will design a variety of learning experiences through thematic learning, including interdisciplinary learning, experiential learning, outing activities, oral presentations, etc. This will allow students to learn to collaborate, communicate and develop skills in research and speaking.

Students will go out to visit and study during the project learning week, including Primary One to Three -Hong Kong Zoological and Botanical Gardens, Primary Four to Six- Kadoorie Farm and Botanic Garden, Secondary One to Three - Hong Kong Space Museum and Secondary Four to Six - Hong Kong Museum of History.

Yours faithfully,

Rev. Yeong Ling Wui  
Principal

2<sup>nd</sup> February, 2023
