Online Parents' Talk on Understanding the Internet Culture, Needs, Discipline and Communication Skills (via Google Meet) (Circular No. E118/2023-2024)

Dear Parents/Guardians,

With the advancement of technology nowadays, browsing the Internet has become a habit of many students. Although there is a lot of useful information on the Internet, it also contains content inappropriate for browsing. To enhance parents' understanding of internet-use management and parent-child communication, the Information Technology Team will organize a Parent's Talk on this subject matter. Details are as follows:

Activity	Online Parents' Talk on Understanding the Internet Culture, Needs, Discipline and Communication Skills
Date	3 rd June, 2024 (Monday)
Time	9:35 a.m. to 10:35 a.m.
Venue	Online Talk (via Google Meet)
Fee	Free of charge
Details	1. How to use the Internet wisely 2. Understand students' characteristics and needs, as well as the current internet culture 3. News and case sharing 4. Parenting methods
Remarks	1. Please note that the following event do not teach IT computer skills. 2. Interested parents who cannot attend the talk at the above time may apply for the viewing of the online talk recording in June.

We look forward to your active participation. **The application deadline is on 29th May, 2024.** Kindly complete the reply slip and return to class teachers accordingly. For any enquiries, please contact Ms. Chung or Mr. Mok.

Yours faithfully,

Rev. Yeong Ling Wui
Principal
