Latest Arrangements for Rapid Antigen Tests (Circular No.: E120/2022-2023)

Dear Parents/Guardians,

With reference to the announcement “Latest Arrangements for Rapid Antigen Tests” released by the EDB on 21st February, the student rapid antigen test (RAT) arrangement has the following update:

Primary Schools, Kindergartens, and Special Schools:

- The requirement for students of primary, Kindergartens and special schools to undergo daily RAT before going to school will be maintained until 15th March, 2023.
- Parents should fill in and sign the health declaration form every school day.
- For the arrangements thereafter, EDB will review the situation and make timely announcement.

Arrangement for COVID-19 positive cases

If students are tested positive for COVID-19, parents must inform the school nurse. Students tested positive must take sick leave and **are not allowed to attend class at school** until a negative RAT result is obtained and students show no COVID-19 symptoms.

The school will continue to keep track of the latest announcements by the Education Bureau and the Department of Health. For any enquiries, please contact the school nurse at 2729 3929.

Yours faithfully,

Rev. Yeong Ling Wui
Principal
22nd February, 2023

Reply Slip (Circular No.: E120/2022-2023, please return to general office)

To: Saviour Lutheran School

I have read and understood the latest arrangements for rapid antigen tests stated in circular no. E120.

Student name: _____

Parent's name: _____

Class: _____

Parent's signature: _____

Date: _____
