## **Tai Po Road School Entrance Temporarily Closed**

(Circular No.: E124/2021-2022)

Dear Parents and Guardians,

The application of the major repairs for school premises maintenance has been approved by EDB. Given the multiple maintenance and repair items to be carried out this year, it is unlikely that the maintenance works will be completed in accordance with the agreed schedule if conducted in full-scale after the commencement of the summer holidays. In view of limited time frame for the aforementioned works, it is resolved that the repair works will be carried out in a phased manner without substantial prejudice to the students learning at school.

**Effective from 14<sup>th</sup> July, 2022**, the school entrance at Tai Po Road and the stairway passage connected to the said entrance will be **out of service and cordoned out** due to the repair and renovation works going on within the cordoned area. **The entrance at Tai Po Road will remain closed until further notice.**

We apologized for the inconvenience caused by the school repair works. Should you have any queries, please feel free to contact us at 27293929. Thank you for your understanding and attention.

Yours faithfully,

Rev. Yeong Ling Wui

Principal
