Freezing Approved Teaching Establishment (Circular No.: E132/2021-2022)

Dear Parents/Guardians,

Since the establishment of the Incorporated Management Committee on 31st August, 2007, the school has had greater flexibility and autonomy in the management and allocation of school resources, in order to seize privileges for students as well as to promote school development.

As advised by EDB, “Schools may, with the consent of the Incorporated Management Committee (IMC), majority of teachers and parents, opt to obtain a cash grant by freezing no more than 10% of the approved teaching establishment.” The school has previously obtained the consent of the IMC, and the majority of teachers and parents, to freeze one SGM post and two PSM posts in this school year (2021/22) in order to obtain relevant grant. Several contract teachers and support teachers are hired with the grant to alleviate teachers’ pressure and provide apt care and service to students.

Owing to the need to support students’ learning development, the school plans to additionally apply for **the freezing of one SGM post and two PSM posts** in the coming school year (2022/23) for grant, under the condition that the current teaching establishment will not be fundamentally affected. The obtained grant will be used to hire contract teaching staff, in alleviating teachers’ pressure and promoting teaching and learning development. The school believes the above arrangement will enable the hiring of contract teaching staff and will be effective in providing care for students and expanding teaching and learning development. We sincerely ask for your support of the above plan. In accordance with EDB’s designated workflow, the school now asks for the consent of parents. Please kindly return the following reply slip to class teachers within this week. Upon receiving consent of most parents, the decision will be passed on to the IMC for discussion.

For any enquiries, please kindly contact class teachers or the principal at 27293929. Parents are also welcomed to obtain further information on the above arrangement via: **edb.gov.hk >School Administration and Management>Financial Management>Information on Subsidy>Teacher Relief Grant (TRG) for Schools with an Incorporated Management Committee.**

Yours faithfully,

Rev. Yeong Ling Wui
Principal
