

Dear Parents/Guardians,

Summer in Hong Kong is the typhoon and monsoon season. When a tropical cyclone or rainstorm warning signal is issued, parents should follow closely for radio and television announcement to ensure the safety of children. If the EDB announces the suspension of class, students should stay safely at home. The school will also make the following arrangements respectively:

1. Tropical cyclone affecting Hong Kong

Weather Conditions	School Arrangements
When the Observatory issues tropical cyclone warning signal no. 1	Lessons will be as usual. Teaching staff will follow the radio and television announcements closely, as well as keep track of the path of the tropical cyclone. Parents should also keep track of relevant information.
When the Observatory issues tropical cyclone warning signal no. 3	<ul style="list-style-type: none">● Special schools (including our school) will suspend class according to the EDB guidelines. Students should stay at home. The campus will be open as usual, in which teaching staff will take care of students who have already left home for school. Teaching staff will allow students to return home or notify parents to fetch students under safe conditions.● If the Observatory issues tropical cyclone warning signal no. 3 while students are on the way to school, the school will take contingency measures and ensure that the campus is open with teaching staff to take care of arriving students. Students will be arranged home and parents will be notified to fetch students from school under safe conditions.● Teaching staff will be arranged to be on duty and offer assistance to parents in need.● If tropical cyclone warning signal no. 3 is issued during lesson, the school will arrange students home or notify parents to fetch students home under safe conditions.
When the Observatory announces that signal no. 8 is about to be issued/ tropical cyclone warning signal no. 8 or above is issued	Classes will be suspended
When the Observatory replaces tropical cyclone signal no. 8 or above with signal no. 3	Classes will be suspended

2. Issue of rainstorm warning signal

Rainstorm warning signal	School arrangements
Amber	Lessons will be as usual. Parents should keep track of radio or television announcements on relevant weather and traffic news nonetheless.
Red or Black	<ul style="list-style-type: none">● <u>Issued before class starts</u> Classes will be suspended according to the EDB guidelines. Students should stay at home. The campus will be open as usual, in which teaching staff will take care of students who have already left home for school. Teaching staff will allow students to return home or notify parents to fetch students under safe conditions.● <u>Issued after class starts</u> Lessons will continue until the end of class time, whereby under safe conditions, students will be allowed home. Parents do not have to hurry to school to fetch your child.

All class suspension arrangements will be in accordance with the EDB's announcements.
Kindly keep track of radio and television announcements or contact the school by phone for enquiry.

Yours faithfully,

Rev. Yeong Ling Wui
Principal
